COMMITTED COLLABORATIVE

At P2Liv'in, we provide exceptional FF&E contracting services to hotels, resorts and commercial property owners and operators. Whether your project is a new construction or a renovation, we work side-by-side with our clients throughout the design, manufacturing and installation process.

We are committed to developing a strong, collaborative partnership with our Clients - and the entire project team - to achieve financial goals and ensure the project exceeds Brand standards.

OUR STORY

P2Liv'in Resort Consultants was founded in 2008 by Patrick Maille and Philippe Pujol, who had been collaborating individually on various hospitality projects and decided to merge their skills and vision. Today, P2Liv'in is a strong and renowned partner, holding extensive FF&E contracting experience in luxury hotel construction and renovation, and conducting successful partnerships with famous designers and worldwide brands.

Our staff of 10 people, designers, carpenters, quality controllers, logistics and shipping coordinators, are spread between our two representative offices in Jakarta, Indonesia and in Mauritius.
